RECOMMENDED SKIN TYPES

INGREDIENT HIGHLIGHTS

- Glycolic Acid 15%, Apple (Pyrus Malus) Fruit Extract, Napol Cactus (Opuntia Ficus-Indica) Extract, Saccharomyces Cerevisiae Extract, Vitamin E (Tocopheryl Acetate)

INGREDIENTS

- Water/Aqua/Eau, Glycolic Acid, Stearic Acid, Glycerin, Pyrus Malus (Apple) Fruit Extract, PEG-100 Stearate, PEG-40 Stearate, Stearyl Alcohol, Isopropyl Palmitate, Opuntia Ficus-Indica (Napol Cactus) Extract, Saccharomyces Cerevisiae Extract, Tocopheryl Acetate, Cyclopentasiloxane, Cyclohexasiloxane, Allantoin, Xanthan Gum, Sodium Hydroxide, Ethylhexylglycerin, Phenoxyethanol

GA-15

DESCRIPTION

Naturally derived from sugar cane, GA-15 is an emollient and rich exfoliant that contains a micromolecular form of Alpha Hydroxy Acid, Glycolic Acid, to correct visible signs of photo aging including dull and rough skin. This extra-strength formula improves the overall complexion as it safely and aggressively smoothes fine lines and wrinkles, corrects uneven pigmentation and age spots and dramatically reduces pore size. GA-15 also promotes natural collagen growth and cell production for younger, healthier looking skin. Formulated with a combination of Glycolic Acid and natural polyphenols emitted from the Green Tea Extract, GA-15 increases the skin's protection against harmful environmental factors, exfoliates of dead skin cells, soothes the skin and improves the appearance of sun-damaged skin. This non-greasy, non-irritating formula works effectively for maturing skin to provide corrective actions against photo aging, stimulate collagen growth and noticeably reduce fine lines and wrinkles.

BENEFITS

- ✓ Contains a micromolecular sized Alpha Hydroxy Acid, 15% Glycolic Acid, as well as skin-soothing Green Tea Leaf Extract
- ✓ Corrects visible signs of photoaging, including: dullness, sagging and rough skin
- ✓ Improves complexion as it safely and aggressively smoothes out fine lines and wrinkles
- ✓ Actively regenerates natural collagen growth and cellular production for healthier, younger looking skin

DIRECTIONS FOR USE

- Apply sparingly over face and neck, avoiding eye area. Allow to absorb before applying additional products. Use once a day at bedtime or as directed by physician. Apply product twice a week initially, and increase use after skin shows minimal signs of irritation. Use of sun protection recommended.

Prescription products are compounded and dispensed in compliance to all California Board of Pharmacy regulations.
