

Credit Card on File:

M D Aesthetics and Dermatology requires patients to keep a credit card on file to pay any balance due. We will send you one invoice and await payment. If no payment is received within 30 days after the date of the invoice/statement, we will charge your card for the balance due. If the balance due is more than \$250.00, we will give you a courtesy call prior to charging your card. Please keep in mind, we will not charge your card if you do not have an outstanding balance. Due to the high number of deductible plans, and higher patient coinsurance benefits, this is a requirement to receive care at our organization. Once your credit card information is entered, it is encrypted and cannot be viewed or accessed by our organization.

By signing the agreement, you understand that once the health plan has paid their portion for your care, M D Aesthetics and Dermatology LLC will charge my credit card the balance due. Charges will be made ONLY after the claim has been adjudicated by your insurance. If the charge exceeds \$250 you will receive a courtesy call. Should there be any refunds, the amount to be refunded may be credited back to your card or left in your account as a balance.

If the credit card we have on file for requires to be updated, please notify us immediately by calling our office at (312) 579-0700. If we run your credit card and it's denied for any reason, we reserve the right to charge an additional \$100 declined credit card fee if we are not able to run a new credit card within 7 days. We will contact you or leave you a phone message if this occurs.
